

## CURRICULUM VITAE

### **Estela Arbesú Andrés,**

M.Arch

Estela Arbesú Andrés studied at the International University of Catalonia (UIC) in Barcelona, Spain. Since 2011 she has collaborated with Archikubik (Barcelona) where she participated in various projects in France which have been built and been awarded prizes such as the "Prix 2014 Futurs Possibles". In 2012, Estela joined Mora-Sanvisens (Barcelona) to collaborate in the development of two new metro-stations. She then went on to join AZPML (Alejandro Zaera-Polo and Maider Llaguno Architecture) London office where she has been working in the "Palazzo del Cinema di Locarno" project and took part in several international competitions such as "New Office Building in Stephaniviertel", Bremen or "Austro Control Zentrale Wien", Vienna. She recently joined Azman Architects where she is now focused on refurbishment works, interior design and furniture.
